

Central Solano USBC conducted its second Bowlers-to-Veterans Link (B.V.L.) tournament this fall (first one was in September at Lucky Strike). This time the week-long, in-league handicap tournament held at Travis Bowl saw 160 entries generate \$800 for BVL. In addition to that incredible amount, bowlers donated an additional \$200 to bring the week's total to an even \$1000 to help California veterans! Combined, CSUSBC bowlers have raised approximately \$1750 for B.V.L. this fall alone!

At week's end, Robert Reese found his way to the top spot with a LARGE handicap series of 796 (739 scratch). Second and third were separated by only 4 pins with Jerry Montoya (787) besting April Heveroh (783). The tournament's 1:4 cashing ratio resulted in 40 places being paid. See full standings in photos.

Again, none of this would be possible if not for the incredible generosity of our bowling community. Give yourself a huge round of applause! 😊
